H3O Challenge

Southern Grampians Shire Council, Hamilton Basketball Association and GenR8 Change are encouraging everyone to sign up to VicHealth's H3O Challenge! The #H3OChallenge tests participants to swap sugary drinks for water for 30 days whilst offering a heap of support along the way! It's free, and your personal challenge can start at any time! If the several health benefits of ditching sugary drinks isn't motivating enough, there is an extra incentive to get you signed up - a lucky ten challenge participants from within the Southern Grampians region will be chosen at random to receive a \$100 Quinns Sportspower or Robinsons Sports scene voucher!

There is a H3O Challenge Launch happening on Friday 24th March from 4pm at HILAC, where there will be free fruit and water, loads of information and tips around how to get the very best out of your H3O Challenge, and roaming staff who will be able to assist with on the spot registrations. We hope to see you there! Alternatively, sign up NOW at, <http://h30challenge.com.au/lga/southerngrampians>

Sugar tax on sugar sweetened beverages (SSB)

It is great to see that national media outlets are highlighting Southern Grampians community taking action to improve children's health, and the e-petition to the Australian Government to implement a tax on sugar sweetened beverages and then invest the revenue raised into public health prevention initiatives. The story has featured in the Herald Sun, Prime News and Channel 7 Sunrise Program, and many high profile social media sites such as I Quit Sugar and That Sugar Film amongst other media outlets.

The petition organised by Western District Health Service as part of GenR8 Change, a community driven movement that seeks to make the healthy choice the easy choice in the Southern Grampians Shire, is being expanded to a national audience to tackle Australia's rising rates of obesity.

Obesity is recognised as one of the biggest public health threats facing Australia. Sugar is a major driver of obesity and one of the most common sources is sugar-sweetened drinks. A tax on sugar-sweetened drinks is also supported by the Australian Medical Association, Australian Healthcare and Hospitals Association, World Health Organisation and is being introduced in countries across the globe, including the UK, US and France

The petition is now available at www.ssbtax.com/

Community Crime Prevention - upcoming grants rounds in 2017-18

| Program | Opening date | Closing date |
|---------------------------------------------------|---------------|-------------------|
| Graffiti Prevention Grants | 15 March 2017 | 12 May 2017 |
| Community Safety Fund | 15 May 2017 | 14 July 2017 |
| Public Safety Infrastructure Fund | 3 July 2017 | 25 September 2017 |

Please note that dates may be subject to change. For more information about the Community Crime Prevention (CCP) grant programs, click on the title of the grant in the table above. Current guidelines will be available once each grant program has opened.

Resources to assist the future planning of your project, such as working in partnership, building an evidence-base and gathering data and statistics, can be found on the [resources page of the CCP website](#).

Mental Health First Aid for the Suicidal Person

Do you know how to help a suicidal person? This NEW 4-hour specialised Mental Health First Aid course is now available
Who can attend?

Any interested adult can attend. This course is not a therapy or support group or a post-vention course, rather it is an education course and it is important that people undertaking the course are feeling relatively robust when they undertake it. It is not recommended for individuals recently bereaved by suicide.

Thursday 23rd March, 12:30pm to 4:30pm, at SEAL, 71 Hyland Street, Warrnambool. Instructor: Suzi Stropin Cost \$66

Registration or further information contact: Alanna Bond or Mandy van den Berg, P: (03) 5560 3000 E: abond@wellways.org
